

POLICIES AND PROCEDURES

CRAZY 4 POKER

EFFECTIVE DATE: 1/05

Overview of the Rules

Introduction

Crazy 4 Poker uses a standard 52-card deck. The game features head-to-head play against the dealer and two bonus bets—one mandatory, the other optional. Since only four cards are used to make poker hands, a four-card straight is a straight; a four-card flush is a flush; and a four-card straight flush is a straight flush.

Ranking of Hands

Hands are ranked from highest to lowest as follows:

FOUR OF A KIND
STRAIGHT FLUSH (four suited and sequential cards)
THREE OF A KIND
FLUSH (four suited cards)
STRAIGHT (four sequential cards)
TWO PAIR
PAIR
HIGH CARD

Note: Ace is high except in 4-3-2-1-Ace sequence.

Mandatory Bets: Ante and Super Bonus

The mandatory ANTE and SUPER BONUS bets facilitate head-to-head play against the dealer. To begin the game, players place two equal wagers: an ANTE wager and a SUPER BONUS wager. After looking at their hands, players may either fold (and lose both their wagers), or stay in the game by making the PLAY wager. The PLAY wager must equal the ANTE wager, unless the player has a pair of Aces or better. With a pair of Aces or better, the PLAY may be up to three times the ANTE.

Playing vs. Dealer:

Player folds	ANTE and SUPER BONUS lose
Dealer does not qualify*	PLAY wins 1:1; ANTE pushes
Player beats dealer's qualifying hand	PLAY and ANTE win 1:1
Player loses to dealer's qualifying hand	PLAY and ANTE lose
Player ties dealer's qualifying hands	PLAY and ANTE push

***The dealer qualifies with King-high or better.**

SUPER BONUS- The SUPER BONUS wins when the player gets a straight or better. However, failure to get at least a straight does not result in the automatic loss of the SUPER BONUS. This bet pushes when the player gets less than a straight, but beats or ties the dealer.

Hands of straight or better always receive SUPER BONUS payouts. When the player has a straight or better but loses to the dealer's qualifying hand, he still receives SUPER BONUS payouts and the original wager stays on the layout.

Optional QUEENS UP side bet

While the ANTE and SUPER BONUS wagers are mandatory, the QUEENS UP bet is optional. However, players may make the QUEENS UP wager for any amount within the posted table limits. Players may bet more on the QUEENS UP bet than they bet on the ANTE and SUPER BONUS.

The QUEENS UP side bet wins when the player receives a pair of Queens or better. Odds are printed on the layout. The bet loses when the player fails to get at least a pair of Queens.

Dealing Procedures:

1. Each player makes a wager as indicated below, according to posted table limits:
 - Mandatory wagers- ANTE and SUPER BONUS in equal amounts.
 - Optional wagers- the QUEENS UP side bet.
 - Players may make these bets in any amounts within table limits. Players may bet more on the QUEENS UP side bet than on the mandatory wagers.
2. Each player and the dealer receive five cards face down. Cards are delivered to the player from the dealer's left to right in rotation. After all players have cards, the dealer should give himself five cards face down.
 - If using an ACE shuffler: Deal one-hand face down to each player and one-hand face down to yourself.
 - Hit the green button on the shuffler to dispense the remaining cards. This will also initiate shuffling the deck for the next round of play.
3. After examining their cards, players have the option to either make a PLAY wager or forfeit their ANTE and SUPER BONUS wagers by folding. If players make the PLAY wager it must be equal to the ANTE unless the player has at

least a pair of Aces. If the player has a pair of Aces or better, he can bet up to three times his ANTE.

4. The dealer should immediately collect the bets and cards of folding players.
5. When all players have either folded or made PLAY wagers, the dealer will turn over his five cards and make his best four-card hand. The dealer will arrange his four-card hand in accordance with house rules.
6. The dealer will then reconcile the hands of those players who have not folded.

a. When the dealer does not qualify (with King-high or better):

- Starting with the player on the dealer's right, bring the player's hand into the 'work area' between the dealer's hand and the QUEENS UP wager and reveal the player's cards.
- Pay all PLAY bets even money and push all ANTE bets. Resolve QUEENS UP and SUPER BONUS bets as usual.
- Handle the bets in this order: PLAY, ANTE, QUEENS UP and SUPER BONUS.

b. When the dealer qualifies (with King-high or better):

- Starting with the player on the dealer's right, bring the player's hand into the 'work area' between the dealer's hand and the QUEENS UP wager and reveal the player's cards.
- If the player's hand is higher than the dealer's, the PLAY and ANTE bets are paid even money. Reconcile the QUEENS UP and SUPER BONUS as normal.

Irregularities in Dealing Procedures:

1. Incorrect number of cards in player's/dealer's hand.
 - a. If any player or the dealer is dealt an incorrect number of cards, all hands are void and the cards are reshuffled.
2. Card shuffler malfunction.
 - b. Refer to the troubleshooting guide on the back of the shuffler, or;
 - c. If the shuffler has continually malfunctioned, replace it as follows:
 1. Turn off the shuffler.
 2. Unplug the power cord.
 3. Replace the shuffler with the backup shuffler.
 4. Plug in the power cord.

5. Turn the shuffler on.
6. Call *Shuffle Master* to service the shuffler.
7. Resume play

OR

- c. Follow specific procedures approved by your regulatory body.

The material included in this PDF document constitutes a 'fair use' of any copyrighted material as provided for in Section 107 of the U.S. Copyright law which allows for education, teaching (including multiple copies for classroom use), scholarship, or research and is not deemed an infringement of copyright in the eyes of the law.

§ 107 . Limitations on exclusive rights: Fair use⁴⁰

Notwithstanding the provisions of sections 106 and 106A, the fair use of a copyrighted work, including such use by reproduction in copies or phonorecords or by any other means specified by that section, for purposes such as criticism, comment, news reporting, teaching (including multiple copies for classroom use), scholarship, or research, is not an infringement of copyright. In determining whether the use made of a work in any particular case is a fair use the factors to be considered shall include—

- (1) the purpose and character of the use, including whether such use is of a commercial nature or is for nonprofit educational purposes;
- (2) the nature of the copyrighted work;
- (3) the amount and substantiality of the portion used in relation to the copyrighted work as a whole; and
- (4) the effect of the use upon the potential market for or value of the copyrighted work.

The fact that a work is unpublished shall not itself bar a finding of fair use if such finding is made upon consideration of all the above factors.
